THE HISTORY OF WIND POWER

V.Ryan © 2009 World Association of Technology Teachers

500 BC

1. In which country did this early wind powered device first appear?

2. What were its two main functions ? (What was it used for?)

1000 AD

3. Name the two countries in which this device can still be seen.

4. How did this device differ from earlier devices?

1300 - 1850

5. Where in the world was this windmill popular between 1300 and 1850 ?

6. What other form of alternative energy lead eventually to the development of this design? Described how this windmill was used.
