## BULLYING - 2

Below are a number situations. Read the situations carefully and write down what you would do.

**1.** You are walking down the main corridor when a pupil from another year calls you an unpleasant name.

How do you think you would feel?

What should you do?

**2.** You are in the yard at dinner time when a friend of yours suggests that you both call out names at other pupils.

What would you do?

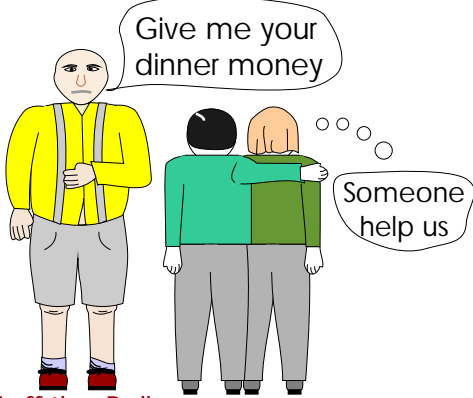

How do you think 'victims' of this type of bullying feel?

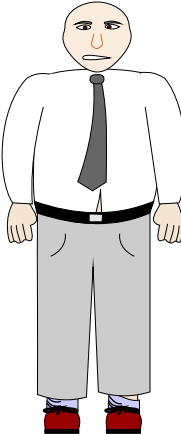

**3.** What do you think of bullies?

**4.** Describe the badge you designed. What do you like about the overall design? Do you like the colours you have chosen? Is the badge too large or too small? What would you change about it if you were to design it again?

# BULLYING - 2

Jeff is a bully. He takes money off younger pupils and encourages his friends to do the same. The basic story is about how you convince him to stop his unpleasant activities and become a model citizen. Draw pictures and add a small amount of text to help you tell the story.

			
 <p>Jeff the Bully</p>			
			

			
			 <p>Jeff has become a model citizen. He helps younger pupils complete their homework and helps old age pensioners cross busy roads. He is now my friend.</p>
